Varsity Tennis	12, 11, 10	12 h/w 13 w/y	Being a part of the varsity tennis team is very exciting for me, because sports are big at Prep. The tennis team introduced me to new friends and it focused me on tennis. I was determined to be the best I could be. I have been on the team for 3 years and every year, it's a more fulfilling experience.
Town Youth Council	12, 11	1.5 h/w 30 w/y	Selected by the Council. We've set up fundraisers & organized a concert for Hurricane Katrina victims & the soldiers in Iraq. We also set up fun activities on the holidays like Easter egg hunts, and Santa visits for Fairfield children. We also volunteer at Bridgeport schools and read to kids.
Chaplaincy Council	12, 11, 10, 9	8-10 Masses/y	My responsibilities in Prep's church services are: usher, petition reader, & Eucharistic minister.
Basketball Coach	12, 11, 10, 9	2 h/w 10 w/y	I coach a 3rd-grade boys team at our Boys & Girls Club. It is a thrill to teach them the things I know about basketball to help them achieve their goals of being the best. I was able to see the improvements the boys made each week, and seeing them succeed made me feel successful too.
CCD Teacher	12	2 h/w 8 m/y	I am teaching a CCD class at St. Thomas Aquinas Church to 8 3rd-grade boys. A classmate and I make up the lesson plan each week.
Track and Field	9	6 h/w 10 w/y	I ran the mile in track and field in 6 minutes. It helped me get in shape for the tennis season.
French Trip	10	1 week	My intermediate French class went to Paris, Normandy, and Bordeaux to experience the language, history, and sights of France.

Junior and Senior years, I am a leader of a freshman group, forming new bonds and relationships with them.

W. VA Mission Trip	9	210 h/w 1 w/y	I went to the Appalachian Mts. with my church, St. Timothy's, to paint houses, plant trees and flowers, fix gutters and roofs. It gave me a feeling of joy to help less fortunate families, who worked alongside us daily.
Urban Plunge Bridgeport, CT	12, 11	60 h/w 1 w/y	Our group of 12 was given \$25 each night to prepare dinner. We also helped school children with their homework, and planted trees and flowers to brighten the city. It helped me realize how lucky I am to live in Fairfield with my family.
Kairos Retreat: Leader	12, 11	12 h/w 1 w/y	I was one of several juniors who attended a teacher-led retreat to form stronger bonds between the students. We played Frisbee, football, listened to motivational speeches from teachers and seniors, and participated in individual groups to discuss life problems and successes.
